INSTITUT FRANÇAIS DU LUXEMBOURG

Institut français du Luxembourg supports and promotes Franco-Luxembourg exchanges in various areas of cooperation. It organises events, supports Luxembourg institutions in projects that help to promote French culture and has been offering French courses for children, teenagers and adults since 2015.

Our French courses will enable you to work on all the skills needed to master French in all its aspects, while allowing you to prepare in the best possible conditions for the DELF-DALF certifications organized at the Institut National des Langues. At the end of your course, a certificate of attendance can be issued on request to prove your attendance to your school, university or employer.

The DELF-DALF exams assess the skills described in the European Framework of Reference for Languages, which form the basis of our course references. The language of instruction is French from beginner level upwards, for effective, immersive learning.

Located in the heart of Luxembourg, the IFL embodies pedagogical excellence in your learning of the French language, attracting more than 65 nationalities and nearly 1,000 students from 6 to 82 years of age every year!

Our group courses for adults are approved by the Ministry of Education, Children and Youth, via the Quality label. With a learner satisfaction rate of 98.3% in 2023, the IFL is one of Luxembourg's top-ranked educational establishments.

OUR TEACHERS

Our team of 25 freelance teachers is ready to welcome you and give you a real linguistic and cultural experience. They may or may not be native speakers of French, but they're all specialised in teaching French as a foreign language and have a Master's degree in this field. Most of them are accredited to teach French as a foreign language by the French Ministry of Education, Children and Youth.

Our teachers teach in small groups in a friendly, dynamic atmosphere that encourages discussion and interaction. They guide learners step by step as they progress. Some of our teachers are also trained in distance learning, medical and legal French, and French as a mother tongue (including tutoring).

Their job is above all to make you want to speak French, to arouse your interest and curiosity about France and other French-speaking countries, and to encourage you to enjoy learning..

Our teachers are rigorously recruited. All our teachers hold specific teaching qualifications (Master FLE, MEEF, Sciences du Langage, and DAEFLE certifications), are graduated and have a few years of teaching experience.

Besides, they are regularly offered in-house training courses to keep up to date with the latest teaching methods and pedagogical innovations. All our courses are therefore taught by highly qualified professionals, even if they are not all native speakers (and have DAEFLE certification), who have degrees and teaching experience.

"I really liked my teacher, H  l  ne. Her classes were super interesting, and everyone felt comfortable talking. It's usually hard to make A2 level students speak, but H  l  ne made it easy and nobody was intimidated."

Marcelina - 29/01/2024

"Our teacher was very kind and concerned in our progress of comprehension."

Katherine - 12/02/2024

"Marine's professionalism, commitment, always prepared and this big smile make the classes run smoothly and pleasant."

Jarek - 11/04/2024

YOUR LEARNING JOURNEY AT INSTITUT FRANÇAIS DU LUXEMBOURG

Our course references are based on the skills described in the European Framework of Reference for Languages (CEFR - 2001) drawn up by the Council of Europe, enabling students to acquire a level recognised throughout the world. It is based on a 6-level scale (A1, A2, B1, B2, C1, C2).

Each level corresponds to a minimum number of hours of learning to acquire the different language skills. These skills are put into practice and assessed through the language activities of listening, reading, speaking and writing.

PRIVATE TUITION

Institut français du Luxembourg gives general, individual and tailor-made French courses for children, teenagers, and adults.

Private courses offer targeted training with teaching adapted to each individual's pace. Flexible options allow students to choose the dates, times and frequencies of lessons depending on their own schedule.

Institut français du Luxembourg provides individual French courses for specific purposes from level B2 (DALF): legal French, medical French, business French, preparation for open competitions to join the public service, preparation for competitive examinations for universities.

IFL offers French remote lessons via ZOOM using different tools and adapted materials, allowing you to learn online in a fun and interactive way with our teachers.

Your teacher conducts lessons following a method and proposes various activities: talks, micro-tasks, resources sharing, support via live chat.

For any individual course covered by the employer, the business price shall be applied (see page 21).

Minimum duration for 1 lesson: 60 minutes.

Recommended duration and frequency of lessons: 90 minutes, twice a week.

"The teacher's ability to adapt to my level of knowledge and to provide useful explanations and rules (which can be easily assimilated) was very appreciable."

Mirela - 11/04/2024

"I really liked the personal attention and the diversity of exercises."

Corine - 22/03/2024
